**Judith M. West**  
**Senior Vice President and Chief Human Resource Officer**  
**Maine Medical Center**

Judith West joined Maine Medical Center in March of 2007 in the position of Vice President Human Resources. In 2012, she transitioned to the role of Senior Vice President and Chief Human Resource Officer for MaineHealth System, which includes Maine Medical Center. She strongly believes that the success of any organization is its people and how organizations find, develop, and retain the talent is critical to the core value of what Human Resources bring to the success of any organization.
