

## Wealth & Specialty Benefits

### WHAT YOU NEED TO KNOW:

Just like the health benefits market, the wealth and specialty benefits market is diversifying rapidly, fueled by consumer-driven voluntary benefits, largely paid for by employees. The 10th annual *MetLife Study of Benefits Trends* reported that younger employees were not very focused on long-term financial planning and retirement; now, 52 percent of those 21- to 30-year-olds are concerned about long-term financial security. The defined-contribution pension, mostly known as 401(k) plans and funded almost entirely by employees, is booming.
