

Honouring HR

We recognise a roundup of HR leaders
who are driving business change.

By The Editors

HR faces great challenges today. Top talent expects employers to deliver an exemplary experience, new technologies, enriching learning programs, career growth, robust benefits plans, job flexibility, mobility opportunities—and the list goes on.

In this demanding environment, we think it's important to recognise leaders that have gone above and beyond in the realm of HR. Our 2020 *HRO Today APAC* Superstars are playing a larger role in business strategy than ever before, delivering innovative solutions that solve today's problems in order to get ahead for tomorrow's success.

Our roundup recognises three categories of leadership because each has a significant impact on the successful management of human capital: Providers, Practitioners, and Consultants/Advisors/Analysts/Academics/Investors/Thought Leaders. Superstars were nominated externally through an online tool and by the *HRO Today* staff.
