and share best & next
practices*

Join the Community

The HRO Today Association offers opportunities for HR and TA professionals from across the globe to connect with their peers to learn, get advice and support one another.

Become a Corporate member and provide your **entire global HR team** the opportunity to...

- **Collaborate** with a cross functional team of HR practitioners and providers to build relationships, grow your network, and strengthen your reputation within the industry.
- **Improve** the skills needed to enhance the quality, effectiveness, and efficiency of your HR operations.
- **Inspire** others by sharing your knowledge and be inspired as you learn from others.
- **Access** timely content and discuss critical issues in real-time with like-minded professionals.

- 70% of Association members are Practitioners
- 84% of Association members are Director-level and above
